

“"CAPTURE THE FLAG" REACHES OVER A MILLION VIEWERS AND 6 MILLION IN TAKINGS

The Spanish public continues to place their confidence in Spanish animation with "**Capture the Flag**" overcoming the barrier of **one million viewers**. In its third week in Cinemas, the film has shown excellent results, achieving **more than 6 million total revenue** in the Spanish box office.

"Capture the Flag" tells the story of Mike Goldwing, a brave and determined 12 year old boy, son and grandson of astronauts, who has always dreamed of winning the capture the flag game. To reunite his family, which is what he wants more than anything, you must capture the most significant flag in history: the one which the astronauts planted on the Apollo XI moon mission. With the help of his friends Amy, Marty and Igor (a crazy and funny chameleon), they undertake an exciting adventure with his stubborn grandfather Frank to stop Richard Carson's evil plan, an eccentric millionaire who, in order to colonize the Moon aims to erase the feat of the space missions from history.

"CAPTURE THE FLAG" is produced by TELECINCO CINEMA, TELEFÓNICA STUDIOS, 4 and , 4 CATS PICTURES and LOS ROCKETS LA PELÍCULA AIE involving MEDIASET ESPAÑA MOVISTAR + and the collaboration of AMC Networks International Iberia and ANANGU. The animation film

is provided by LIGHTBOX ANIMATION STUDIOS and distributed by PARAMOUNT PICTURES SPAIN.

In addition, you can still visit the successful exhibition of "Capture the Flag", which has been displayed in the Espacio Fundación Telefónica since July 13th. Here visitors can enter the world of digital animation films and go through objects, documents and audiovisual material, the history of aerospace, focusing on the Apollo program and the first man on the moon.
